CALL FOR ABSTRACTS

Submission Deadline: [February 6th, 2020](#)

ABSTRACT GUIDELINES

Title page

TITLE

Times New Roman, size 14, bold

Name, Surname of the author, scientific, professional title

Times New Roman, size 12, bold

Institution, Country

E-mail

Times New Roman, size 12

Paper theme based on the given conference topics: *size 12, Times New Roman*

If the **paper is theoretical (review paper)**, without a research, the abstract should be max 500 words long and structured as follows:

Times New Roman, size 11, italics

Abstract

Background: Summarize the literature review in one sentence, demonstrating the need for this study.

Method: Describe the research method of literature review, literature search method, describe which international database was used and the keywords you used in a literature search, number of yielded articles, criteria used for the final set of results, data analysis (meta-synthesis).

Results: Provide the key results of the literature review.

Discussion: Discussion should be based on the findings of your research and comparisons of other research studies. Please indicate if further studies are needed.

Key words: word 1, word 2, word 3, ...

If the paper is scientific (contains the results of the study), the abstract should use IMRAD structure (max 500 words):

Times New Roman, size 11, italics

Abstract

Background: Summarize the literature review in one sentence, demonstrating the need for this study.

Method: When, where, and how was the study done? Describe the study design, sample, participants, data analysis used in 3–4 sentences.

Results: Describe the main results. This section should be the most descriptive. Note levels of statistical significance and confidence intervals where appropriate. What answer was found to the research question; what did the study find? Was the tested hypothesis true?

Discussion: Base the discussion only on the reported results. Describe any further study needed?

Key words: word 1, word 2, word 3, ...

Poster abstract (max 500 words):

Times New Roman, size 11, italics

Abstract

Background: Summarize the literature review in one sentence, demonstrating the need for this study.

Objectives: Why was the study undertaken? What was the research question, the tested hypothesis or the purpose of the research?

Methods: The method used to collect the information and collate the results.

Results: The main results or findings, including data and statistics where relevant.

Discussion: Base the discussion only on the reported results. Describe any further study needed?

Key words: word 1, word 2, word 3, ...

IMPORTANT DEADLINES

- February 6, 2020: Abstract Submission Deadline
- February 7, 2020: E-mail notification of abstract acceptance will be sent
- March 10, 2020: Paper submissions deadline
- March 31, 2020: Peer Review Deadlines
- April 20, 2020: Completed papers Submissions Deadline

In contact:

Send abstracts to: center@fzab.si

Conference Programme Committee will review abstracts. The 1st authors of the selected papers will be provided with further information.

Additional info: center@fzab.si; www.fzab.si, 00386 4 586 93 68

You are warmly invited to actively participate on the event!

Sanela Pivač, MSc (Nursing), Senior Lecturer
Acting Dean
